TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Meredith qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on the eleventh day of March, 1930, at nine of the clock in the forenoon, to act upon the following subjects:

1. To bring in your ballots for Town Clerk, one Selectman for three years, Treasurer, two Auditors, Collector of Taxes, Police Officer, Traffic Officer, one Trustee of Trust Funds for three years, one Trustee of Trust Funds for two years, two Library Trustees for three years, and Prosecuting Agent.

2. To choose all other necessary town officers.

3. To raise such sums of money as may be necessary for the repairs of highways and bridges and specify how the same shall be laid out.

4. To see what sums of money the town will raise toward the maintenance of highways under state aid.

5. To see what sums of money the town will raise for Trunk Line Maintenance.

6. To see if the town will vote to accept State Aid, or set aside a permanent improvement fund of $1,917.75.

7. To see if the town will raise and appropriate the sum of $4,000.00 toward the completion of the Meredith-New Hampton road, so called.

8. To see if the town will vote to raise and appropriate the sum of $1,500.00 to build a cement sidewalk on the northerly side of Winnipesaukee Street. (By petition.)

9. To see what sum of money the town will raise for sidewalks.

10. To raise such sums of money as may be necessary for town charges.

11. To see what sum of money the town will vote to raise toward eradicating the White Pine Blister Rust, the State Forester requesting the sum of $400.00.

12. To see how much money the town will vote to raise to defray the expenses of Memorial Day, and specify how the same shall be expended.

13. To see how much money the town will vote to raise toward defraying the expenses of the Town Library.

14. To see what sum of money the town will vote for the support of Firemen, and the protection of property in Meredith Village Fire District.

15. To see how much money the town will vote to raise toward the support of the District Nurse.

16. To see what action the town will take toward completing the Park on Winnipesaukee Street.

Meredith has had an epidemic of scarlet fever and whooping cough which was well cleared up by the end of December.

Two health talks have been given to the lower grades and a talk on preventing the spreading of contagious disease, to the High School.

A health program was given during chapel exercises May 1, the first part being a Health Play, presented by members of the 7th grade. This was followed by two reels of moving pictures that brought out clearly the great importance of proper diet and posture for growing children.

September 3rd a Child Health Conference was held at the Grange Hall. Thirteen children were weighed,

measured, and given a complete physical examination by Dr. Harmon. Four of the children were physically perfect. The Conference was sponsored by the District Nursing Association, Rotary Club, the Woman's Progress Club, Winnipesaukee Grange, and the local Board of Health. The District Nurse was assisted by Miss Marion Garland of Laconia. Miss Jennings, the field nurse of the state district was in charge of the Conference.

A short talk on first aid and demonstrations in bandaging was given at a Woman's Club meeting.

During the last part of September all school children were weighed and measured and a full physical examination was given by Dr. Harmon.

Miss Garland and the District Nurse visited the homes of all who were 10 percent or more underweight, and advised the parents to send the underweight children to the Tuberculosis and Underweight Clinic to be held at the Lang street school, October 25. At this clinic, Dr. Kerr examined 25 and found three in need of further attention. Miss Cameron made her visits at Meredith.

Three school children have been to Laconia Hospital to have tonsils and adenoids removed.

The underweight children at school are given a pint of milk a day. The following defects have been found:

Defective Vision	10
Hypertrophied Tonsils	30
Adenoids	36
Defective Hearing	1
Unvaccinated	20
Enlarged Glands	2
Skin Disease	2

Nervous Disease	2
Pediculosis	1
Cardiac Disease	1

The Association has bought an automobile for the use of the District Nurse that the work might be extended to those outside the village limits.

Bequest of Sarah J. Roberts

By the will of Sarah J. Roberts, the School District was left the sum of $1,000.00 to be used for the benefit of the Meredith schools. The school treasurer received this money in April, 1929 and deposited it in the Meredith Village Savings Bank.

At the regular meeting of the School Board in January, 1930, it was voted to use the sum of $500.00 to

start a reference library for the high school, to be known as the Sarah J. Roberts Memorial Library. It was the thought of the Board that other sums should be drawn from time to time to increase this Library.

Gift of Woman's Progress Club

The Woman's Progress Club gave a new Singer Sewing Machine to be used in the Domestic Arts Department.

SUPERINTENDENT'S REPORT

To the Citizens of Meredith:

The following comparisons and tables are strong evidence that your schools were successful in 1928-29.

The schools were in session more half days, the percentage of attendance was higher, and the costs were lower than the average for the state.

The pupils were happy and contented in the schools. The teachers were well qualified and enthusiastic in their work. Parents and citizens in general were cordially cooperative.

We try to give the pupils some of the worthwhile discoveries of the past, to put them in step with present progress and give them some tools with which to attact the problem of the future.

Thus stated the matter seems simple, but the content and method of procedure in each of the items are full of debatable questions.

This we do know, indifference at home or hasty criticism of teachers or schools in the presence of pupils are very harmful.

Parents, who strongly and steadily support the school authorities until a full investigation proves them wrong will not only increase their own peace of mind, but add much to the general effectiveness of the schools.

Average number of weeks in public day schools for the state	36.77
For Meredith	38
Average half days schools in session for the state	351.79
For Meredith	357
Percentage of attendance for the state	94.58
For Meredith	95.83

Among the 244 school districts of the state, arranged in order of the current cost of public education per $1,000.00 of equalized valuation, Meredith is No. 111. That means that in 133 districts the current cost per $1,000.00 is greater.

The median per pupil cost for the state in the elementary schools is $83.35.

The Meredith per pupil cost is $67.30.

The median per pupil cost of the public high school of the state is 136.10.

The Meredith per high school pupil cost is 117.65.

The state average cost per pupil in the public high schools for instruction is 106.98.

The Meredith cost is but 73.20.

Comparison with towns of about the same number of pupils:

Town	No. of Schools	No, of Pupils	Teachers	Current Expenditures

HEADMASTER'S REPORT

Meredith, N. H., Feb. 27, 1930

To the Board of Education and Citizens of Meredith:

In its general nature and make-up a semi-statistical report of this kind can vary little from year to year. The figures and data vary it is true, and in their field they tell their own story of progress or the lack of it. There is much, however, that an inventory of the physical values cannot show. Education to discharge wisely the duties of life; education that actively regards the seven cardinal principles of Secondary Education—worthy use of leisure time, good health, the command of the fundamental processes, the ability to succeed in a vocation, worthy home membership, good citizenship, and high ethical character; the success of obtaining these objectives cannot be gleaned from statistical tables nor words of description. That the year of 1929 has seen Meredith High School march forward in this particular is our sincere belief.

As to the other, the following paragraphs tell their own story, and we trust that in the sum and total of it you will see in this also substantial progress.

Registration of Pupils

The total registration of pupils at this date is 157. This is identical with that of last year, but a decrease of nine from that of two years ago.

Registration Table

The 157 pupils are distributed among the six classes as follows:

Grade	Boys	Girls	Total	Gain over Last Yr.	Loss over Last Yr.
12	9	10	19		1
11	16	6	22	1	
10	11	18	29		1
9	10	15	25		4
8	13	14	27	3	
7	15	20	35	2	
Totals	74	83	157	6	6

Included in the above table are 21 non-resident pupils coming from towns as follows:

Center Harbor	6
Moultonboro	10
Holderness	1
New Hampton	4
Total	21

This is a decrease of four from that of last year, and of seven from that of two years ago.

Attendance Last Year

Whole-hearted cooperation among parents, pupils, and school officials for the last few years has placed our high school in a favorable position on the list of attendance averages in New Hampshire High Schools. In 1928-29, as in 1927-28, we bettered the state average in attendance and had only one-third as many tardy marks per pupil as was the average in the state.

That we have no problem in attendance is clearly seen by a glance at the following table:

	% attendance	No. tardy marks per pupil
State Average	95.3	.9
Senior High School	96.4	.3
Junior High School	97.6	.3

For five consecutive years Meredith High School has been placed on the state honor list of schools having the best records in this particular.

Attendance This Year

That this same fine record is being maintained during the present year is seen in the next table:

1929-30	Percent of Attendance		No. Tardy Marks	
Month	Sr. H. S.	Jr. H. S.	Sr. H. S.	Jr. H. S.
September	96.5	97.6	4	1
October	97.4	97.4	1	1
November	97.3	94.0	3	1
December	95.7	94.0	2	1
January	95.8	95.2	7	2
Average	96.5	95.6	3.4	1.2

Attendance Honor Roll 1928-29

The following pupils attended every session of the 1928-29 school year without being absent nor tardy:

Senior High School

Mary Belmore, Lawrence Blackey, Perle Cass, Eleanor Grad, Linden Grad, Roger Rand, Leona Shaw, Bradbury Sprague, Thelma Strong, Ernest Valliere, Alfred Wallace.

Junior High School

Sheldon Allen, Elizabeth Baker, Hazel Bickford, Walter Brooks, Kathleen Brown, Rita Chase, Hazel MacMichael, John Marden, Robert Perkins, Elisabeth Pynn, Ruth Robinson, Regina Valliere.

1929 Graduates

The following 20 pupils were graduated from the high school in 1929: Mary Belmore, Orion Bickford, Dorothy Colby, Eleanor Davis, Robert Fletcher, Carolyn Files, Eleanor Grad, Beatrice Howland, Freda Harris, Anna Leech, Ruth Lloyd, Frederick Maguire, Doris Maloney, Elmer Marden, Helen Morris, Elsie Mudgett, Gladys Perkins, Pauline Valliere, Donald Weeks, Marjorie Weeks.

Recent Graduates Entering Post Secondary Schools For the First Time This Year

The following table shows those entering a college, normal school, or preparatory school for the first time during the present school year:

Ariel Marston, 1928	University of New Hampshire
Gertrude Rand, 1928	Concord Business College
Mary Belmore, 1929	Boston City Hospital Training School for Nurses
Dorothy Colby, 1929	Hesser's Business College
Eleanor Grad, 1929	Boston University
Carolyn Files, 1929	University of New Hampshire
Freda Harris, 1929	Mansfield Academy, Boston
Anna Leech, 1929	Plymouth Normal School
Ruth Lloyd, 1929	Y. W. C. A. Domestic Science School, Boston
Doris Maloney, 1929	Plymouth Normal School

Elsie Mudgett, 1929	Plymouth Normal School
Donald Weeks, 1929,	New Hampton
Marjorie Weeks, 1929	Massachusetts General Hospital Training School for Nurses

We justly feel proud of the excellent work that our graduates are doing. Many of the institutions included in the above list have already sent us a transcript of the ranks obtained by our graduates during their first term's work. In every case it was a credit to both the pupil and our school. In one instance an officer of the particular institution sent a letter congratulating Meredith High School for the ability shown by its graduates.

Another criterion of this same work is found in the annual Statistical Report of Secondary School by the State Board of Education. In this report there is a table showing the relative positions of schools based upon the work of their graduates at post secondary institutions. In the table for the 1928-29 school year Meredith High School shares second honors with one other school for a period covering the last five years, and for schools whose enrollment is 100-200 pupils. There are 24 schools in this group.

The position by years is as follows:

Year	Place
1924-25	7
1925-26	2
1926-27	2
1927-28	5
1928-29	11
Five Year Period	Tied for 2nd

Approval and Certificate Privilege

Meredith High School has full state approval and has the certificate privilege of the New England En-

trance Certificate Board. This allows graduates to enter the majority of the New England Colleges and Universities upon a certificate by the Headmaster and without an entrance examination.

Changes in the Curriculum

Two changes have been adopted in the curriculum. French has been made optional and not compulsory in the Domestic Science Course and in the General Course. Plans have been made to introduce a course of Biology for the first time in 1930-31.

The Alumni Association

A record attendance was present at the fifth annual Alumni Day Banquet and Program, June 13, 1929. The following officers were elected for the year 1929-30.

President, Frances Roberts Plummer
Vice-President, Irving Brown
Secretary, Ella Roberts
Treasurer, Bertram Blaisdell
Chairman Entertainment Com.,
Mrs. Lillian Trombley
Chairman Banquet Com., Mrs. Lettie Mead
Chairman Parade Com., Charles I. Cowing.

The 1929 winner of the Alumni Loyalty Cup was Miss Elsie Mudgett.

At the business session of the Alumni Meeting it was voted to have this cup awarded at the Annual Alumni Meeting instead of at the commencement exercises as has been done up to the present time.

Miscellaneous

The Domestic Arts Department is serving hot lunches during the noon hour for the sixth consecutive winter.

The list of active school organizations is similar to that of last year and includes the Athletic Association,

Boys' and Girls' Basketball Teams, Baseball Team, the Student Council and The Pinnacle. A yearly calendar of activities by these organizations was arranged last September for the entire year. For the sixth year the Athletic Association is sponsering an Entertainment Course of five numbers.

In order that each of the eight periods may be the standard period of 40 minutes the school day has been lengthened 15 minutes. Because of this the afternoon session closes at 4:00 o'clock instead of 3:45.

The 20 minute organization period, which in previous years has come the first thing in the morning, now comes the last thing in the forenoon session. Part of these periods are used for an open forum discussion on subjects of close interest to the student body.

The weekly school assembly period comes every Wednesday afternoon from 3:20 to 4:00 at the Town Hall. The public is cordially invited to attend these programs.

For the first time Meredith High School has had cadet teachers from the University of New Hampshire assisting the regular teaching staff. Under the immediate direction and supervision of our own teachers these cadets have taken charge of four classes in history. In this capacity, Mr. Lloyd Dunlap was here for the fall term, and Mr. George H. Dawson for the winter term. This cooperation between our school and the University has proven both pleasant and advantageous for all concerned.

A comparatively large number of pupils has left school duties during the first half of the current year. A careful investigation and check of the causes has led to the conclusion that the great majority of the reasons are economic in character and beyond the control of the school.

Through the interest and generosity of one of Meredith's citizens a public speaking contest will be held the latter part of March, 1930. A preliminary contest in which every pupil in school took part has been held, and as a result two representatives from each of the six classes have been selected for the final contest.

In the 1928-29 secondary report issued by the State Board of Education, Meredith High School is commended for a high standing in the following administrating details:

1. For a high percentage of attendance
2. For a low percentage of tardiness
3. For complete records and reports of class room work.
4. For detailed reports of the extra curriculum activities.

In conclusion we wish to emphasize a self-evident fact that a school is composed of three fundamental groups: the student body, the teaching staff, and the school officials. These three units are in turn influenced by other groups: the parents, the alumni, and the citizens of the community. The progress and success of a school is found in the ability and kind of cooperation that these various factors contribute.

We sincerely believe that Meredith High School has made efficient and steady progress—a growth, the credit for which does not go to a single group, but must be shared by all the contributing groups just mentioned.

As a teaching staff, just one of these groups, we are happy to have this opportunity of expressing our sincere appreciation for this necessary and wholesome cooperation. Continued, Meredith High School need have only the most pleasant anticipations for the future.

Respectfully submitted,
W. J. NELSON, Headmaster.

ANNUAL REPORT

OF THE

OFFICERS

OF THE

Meredith Village Fire District

YEAR ENDING

JANUARY 31, 1930

DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Meredith Village Fire District, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on Monday, March 31st, 1930, at 7:30 o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.

2. To choose a Clerk for the ensuing year.

3. To choose a Treasurer for the ensuing year.

4. To choose three Fire Commissioners for the ensuing year.

5. To choose one Water Commissioner for the term of three years.

6. To choose two Auditors for the ensuing year.

7. To see how much money you will raise for hydrant rental.

8. To see what action you will take to provide funds to pay for the Fire Truck, and other fire apparatus, and repairs to District Property.

9. To see what sum of money you will raise for street lighting.

10. To see what action the Fire District will take relative to authorizing the Fire Commissioners to sign a five year contract for street lighting. (By request.)

11. To see what action you will take in regard to liability insurance for the Fire Truck and raise money therefor.

12. To see what sum of money you will raise for general expenses.

13. To see if the District will vote to install a Hydrant at the Northerly end of Gould Avenue. (By request.)

14. To see what disposition you will make of the funds received from the water department.

15. To see what action you will take relative to refunding the indebtedness incurred in repairing the reservoir and constructing new gate house.

16. To see if you will vote to authorize the Water Commissioners to extend the water service by laying a pipe from Plymouth Street, so-called, near the premises belonging to the estate of Carrie E. Kirby, in a westerly direction along the new street leading past the dwelling houses of Chester Haynes, Edward Aldrich and others. (By petition.)

17. To see if the District will authorize the Board of Water Commissioners to hire money for the support of the water system.

18. To see what action you will take in regard to having the inventory of property in the Fire District included in the next District Report, provided the inventory of the Town is not printed in the Town Report. (By request.)

19. To transact any other business that may legally come before the meeting.

Given under our hands this 14th day of March, 1930.

CHARLES A. WEEKS,
WALTER H. LANCE,
DAVID R. BATES,
